

# Friends and Family

It is really important to know just how helpful it is to have a loving family and a loyal group of friends! Imagine how odd it would seem to one day not be around friends and family! This is why we should always do our best to help and support them when they need it!

What ways can you think of to help your family?

.....

How do your family and friends help you?

.....

.....

List 3 people who are really important to you?

.....

Task - On the back of this sheet keep a record of ways that you have helped your friends and family this month.

Name.....
Date.....
Parent Signature .....
Teacher signature.....
