Manners

A person who has manners will always be respected more than a person who doesn't!

Saying please and thank you isn't everything though! Remember to speak politely and always be respectful to others!

What are some ways you can use manners at home?

.....

Who has good manners who you can copy?

.....

Does being a black belt mean you should be polite and have good manners?

.....

Task - Show your manners by being especially polite this month
